Sisters School District views the use of electronic resources as central to the delivery of its educational program. By providing each student a chromebook computer to use at school and at home, Sisters School District intends to enable an engaging, collaborative, self-directed, and empowering learning environment. Students are expected to use district technology and network resources responsibly and parents are expected to collaborate with the school district in ensuring their child uses the district issued device in accordance with district policies and guidelines.

Students agree to the following responsibilities before, during, and after school whether or not they are on or off campus.

- Use the device in a responsible and ethical manner, complying with the Sisters School District Code of Conduct in regards to cyberbullying ([JFCF](#)) and Electronic Communications System ([IIBGA](#)) and [IIBGA-AR](#)) at all times.
- Use technology only to support learning and school appropriate functions.
- Obey school rules concerning behavior and communication that apply to technology use.
- Avoid damaging school equipment by using the device in an appropriate manner and taking a proactive role to aid Sisters School District in the protection of the chromebook by reporting all issues.
- Notify a staff member or parent/guardian immediately of information, images, or messages that are inappropriate, dangerous, threatening, or uncomfortable.
- Return the chromebook at the end of the school year (or district enrollment) in the same condition received.
- Secure the device at all times.
- Bring the chromebook to school daily fully charged.
- Talk to my child about values and the standards that they should follow on the use of the Internet just as you do on the use of all digital media (TV, phones, movies, music, etc.).
- Be active participants by asking your child to show you what sites they are navigating to and how they are being used in your child's education.
- Ensure that siblings and other family members are not using the device for personal use.
- Assume responsibility for the cost of repair or replacement if the device is not returned, damaged, lost or stolen.
